

Retooling Adults for Manufacturing Programs

Job and Career

Short-Term 10—16 week programs

Employer Engaged in Setting Outcomes & Recruitment

Paid Internship, Work-Based Learning Experience

Industry-Recognized Credential

Building Block to Career Pathway

PATHWAYS

On-Going Programs

Automation Engineering Technology—Maintenance Technician

Manufacturing Engineering Technology—Right Skills Now Computer Numerical Control

Mechatronics Technology—Micro-Electromechanical Systems (MEMS TRAIN OH)

Programs Starting Summer Term—June 2017

Industrial Safety Technology/Technician—Industrial Safety

Programs Starting Fall Term—August 2017

Engineering Technology—General Technician

Foundations for Manufacturing Careers

Manufacturing Engineering Technology—Computer Aided Design Technician

Manufacturing Engineering Technology—Industrial Electrical Technician

Manufacturing Engineering Technology—Industrial Mechanical Technician

Welding Technology—Non-Destructive Testing
